The Appraisal includes a number of recommendations for preserving or enhancing the Kirton in Lindsey Conservation Area:

1. Publish Supplementary Planning Guidance for Kirton in Lindsey , which provides guidance for the protection of, trees, the design of new development and listed buildings.
2. Undertake a Building at Risk survey and consider making application to English Heritage or the Heritage Lottery Fund for a grant scheme, and suggest a number of buildings for statutory listings.
3. Consider improvements to road and pavement surfacing, and to street lighting.
4. Consider developing a programme of undergrounding overhead wires.
5. Carry out a tree survey to assess the condition of trees within the town in order to prepare a management plan for the trees in Kirton in Lindsey.
6. Amend the conservation area by joining the two existing conservation areas together to include:
- Queen Street, March Street, Wesley Street and part of Wray Street.
7. Republicise the existing Article 4 Direction in the Market Place/High Street area, and confirm a new Article 4 Direction in the St Andrews Church area to cover residential dwellings.
8. Extend the Article 4 Direction to include residential dwellings in the new area.
