

The Time Traveller

Read this letter to the group.

Dear Children of Earth,

My name is Wizzy and I am a time traveller. I travel to many planets throughout the Universe and am going to visit Earth soon. My teacher, who is a computer, has told me that on Earth you have many wonderful animals and plants living in the environment around you. This sounds wonderful because on my planet we can only see wildlife in special places called zoos. I would like to know about the wildlife where you live before I come and visit you. Please will you write about or draw the wildlife you see around you. I look forward to receiving your letters,

Wizzy

Ask the group to write about or draw a picture of all the things they have seen, heard or talked about at the reserve.
