The library service sometimes receives requests from other organisations for contact details of local places of worship and community groups. These organisations may send you mail or wish to publish your details in directories. We will not knowingly pass on your details to these organisations if you do not wish us to do so. The library service may also makes details from the register available for people to view on the North Lincolnshire Council website <http://www.northlincs.gov.uk/libraries> again we will not display your details unless you wish us to do so.

Please tick the appropriate box below if you agree with either statement.

I do not wish the library service to pass my contact details to other organisations

I do not wish contact details of my organisation to be published on the Internet

I understand that this information will be stored on computer and is subject to Data Protection legislation.
