	<b>Anti - Social Behaviour Site</b>							
	<b>FOR INFORMATION:</b>							
	<b>The very top 7 North Lincolnshire locations, along with the Highways England M180 Motorway at Belton, are all Safety Camera Core sites, enforced by the Safer Roads Humber Safety Camera vehicles (vans and motor cycles), on a regular rota.</b>							

Locations 8 - 57 are Speed Management Strategy locations, also enforced by the Safer Roads Humber Safety Camera vehicles, but not as often. These locations also receive a 3 month period with a 'Flashing' vehicle activated Speed Sign. Some of these locations, for whatever reason, may not be suitable for either enforcement and/or a Speed Sign

Locations 58 - 120 are Speed Management Strategy locations which also receive a 3 month period with a 'Flashing' vehicle activated Speed Sign, although there will be no enforcement carried out at these locations. Again, some of these locations, for whatever reason, may not be suitable for a Speed Sign.

Suitable locations from 121 can hire one of the 'Flashing' vehicle activated Speed Signs through their Town or Parish Council.

The enforcement cut off points score is 14, all those on 14 or above are eligible for enforcement
