

The Great North Lincolnshire Rhyme Challenge

A Sailor Went To Sea

A sailor went to sea, sea, sea
To see what he could see, see, see
But all that he could see, see, see
Was the bottom of the deep blue sea, sea, sea

One two three four five, once I
caught a fish alive.. is another
great nursery rhyme to sing.

Rhyme Challenge

Fun things to do!

Get creative and make a telescope out of a cardboard tube. Look outside and inside, what can you see?

Play the game 'I spy, with my little eye'
This can be adapted to your child's stage of development. For example:

"I can see somebody washing the pots". It's Daddy.

"I can see something round and red that we play with in the garden". A ball.

Can you research animals that live in the sea? Fish, crabs, whales, jellyfish, octopus.....

You could make a little book of sea creatures.

Great rhymers make great readers!
