Reason for Exemption

The Equality Act 2010 places duties on both licensed Hackney Carriage and Private Hire Vehicle Drivers to carry guide, hearing and other assistance dogs to accompanying disabled people, and to do so without charge.

However, to enable drivers with certain medical conditions that are aggravated by exposure to dogs to drive or continue to drive Hackney Carriage and Private Hire Vehicles, the Act includes provisions for drivers to be exempted from these requirements on medical grounds.

The Licensing Authority is responsible for issuing exemption certificates and needs to be satisfied that it is appropriate to do so on medical grounds.

Vehicle Details

In determining whether to issue an exemption certificate the Licensing Authority will take into consideration the physical characteristics of the Hackney Carriage or Private Hire Vehicle.

Please tick as appropriate

Nature of Medical Condition

Most drivers with a medical condition severe enough to warrant an exemption are likely to be under a specialist (consultant) medical practitioner. It is therefore suggested that evidence be sought from a specialist as to the severity of the condition.

The driver's General Practitioner should only be approached as a last resort.

Please provide details of the medical condition you have:
