Review of my support & services

Who I am

- Were you asked if you needed or wanted an independent advocate to support you during a review of your support & services?

- Are there some decisions/discussions that need an independent Mental Capacity Advocate to be present to help the meeting?

If you were not asked about advocacy support before your review meeting and you need or want this support, the review will need to be rearranged.

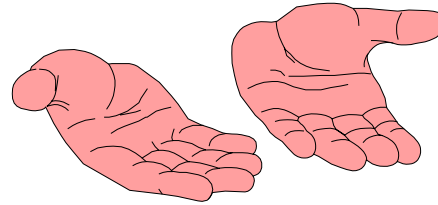

What I want to continue doing
& why?

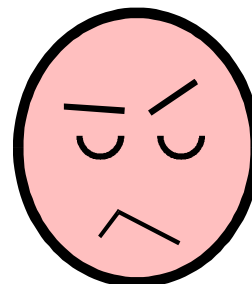

What my family carer(s)
Would like me to continue doing
& why?

What other people do to
support me & why?

What is stopping me from doing
The things I want to do & why?

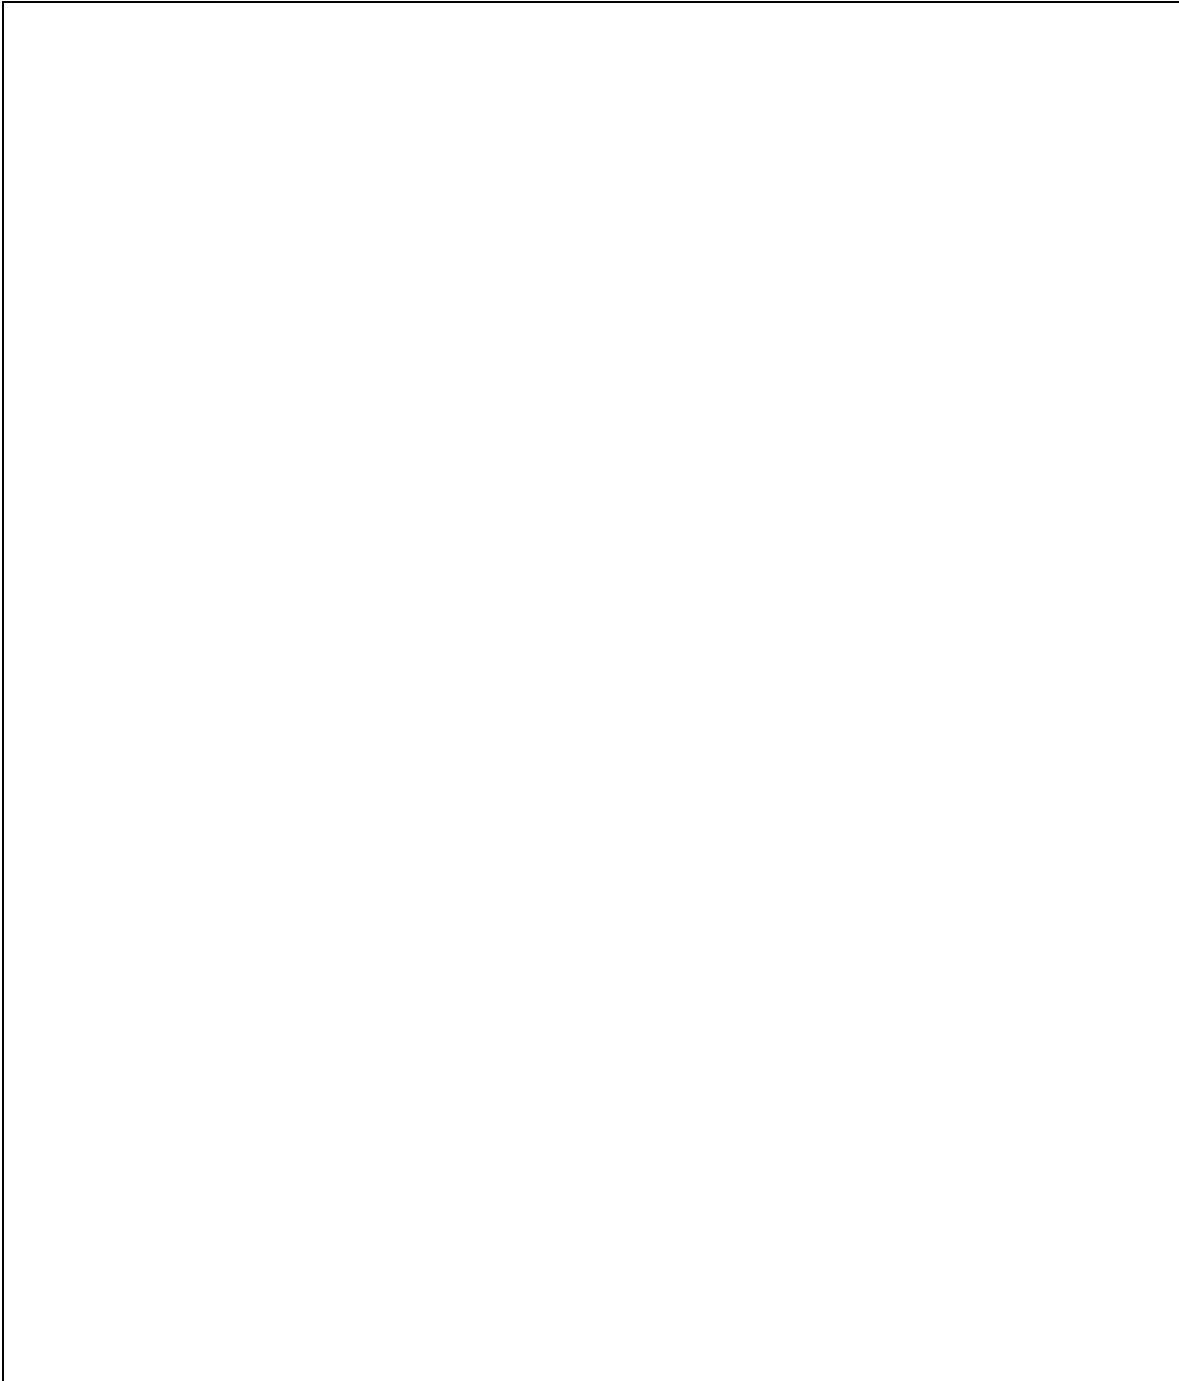

What my family carer(s) think
May be stopping me doing the things
I want to do & why?

What other people who
Support me think may be
Stopping me doing the things I want to do.

*Anything else we need to talk about (everybody
needs to get a chance to speak if they want to)*
