Adult Services

Local Account 2016/2017

The Local Account lets you know how Adult Services in North Lincolnshire have done.

How did we do in 2016 / 17?

We supported people to improve their independence.

We supported people to have choice and control.

We helped people feel less lonely through our Wellbeing Hubs.

We helped people try different types of places to live.

Developed carers training.

We supported people to get home quickly after being in hospital.

We supported more people than last year.

We supported people the way they want to be supported.

We have managed our money well.

Compared to other areas we are doing well.

Next year we will.

1. Support people to live well for longer.

2. Help more people find paid work.

3. Make sure we support people at the right time.

4. Help people make choices on how to stay safe.

We want you to tell us what is important to you.
