Appleby
The Neighbourhood Area was Designated on 18 December 2014. A Questionnaire was distributed around the community in August 2015, a second Questionnaire in May 2016, and a well-attended Visioning Day was held in May 2016. These helped to shape the Vision and Objectives. A Strategic Environmental Assessment (SEA) Screening Report was produced in May 2017 and an SEA Scoping Report concluded that none of the policies in the draft Plan would have a negative impact on the Parish and that the Plan would generally have a strongly positive impact on the Parish. The drafting of policies commenced in early 2017, and a Pre-Submission Draft Plan was publicised for a six-week consultation during Feb-March 2018. A formal version of the Plan was submitted to North Lincolnshire Council on 11 July 2018. Following consultation on the Submission Draft Neighbourhood Plan an Examination was undertaken by Intelligent Plans and Examinations. In his Report the Examiner states that the Community has shown itself to be organised and has developed a good working relationship with North Lincolnshire Council; the resulting Neighbourhood Plan is highly readable and articulates the concerns and aspirations of the local population and will help to guide development decisions to the benefit of the community. He concludes that the Plan has been duly prepared in compliance with the procedural requirements and, once modified in accordance with his recommendations, should proceed to Referendum which will take place on Thursday 21 March 2019.

Barrow-upon-Humber
Several surveys have been undertaken at village events which led to the Parish Council deciding that a Neighbourhood Plan should be progressed. North Lincolnshire Council approved the Area Designation application on 11 April 2018 and work has now commenced on the Plan. A Steering Group has been set up and an Open Day was held in June 2018 to explain the neighbourhood planning process to the local community and to invite comments and thoughts on how a plan could develop. Members of the local community are encouraged to get involved with development of the Plan. A Family Fun Day/Neighbourhood Plan Vision Day was held in September 2018, and the Steering Group is currently considering how to take the Plan forward.

Bonby
The Neighbourhood Area was Designated on 4 August 2014. In August 2017 the Parish Clerk confirmed there is presently no energy/capacity within the Parish Council to develop a plan.

Brigg
The Neighbourhood Area was Designated on 18 December 2014. An extensive consultation exercise was undertaken during 2014 and a Visioning Day was held in November 2016 at The Buttercross which helped to shape a draft Vision and Objectives. A Strategic Environmental Assessment Screening Report was undertaken in September 2016 with a conclusion that a Scoping Report is needed. In June 2017 work commenced on the Brigg Master Plan, and the Steering Group decided that the Neighbourhood Plan objectives/aspirations will be taken forward via the Master Plan (not the Neighbourhood Plan). North Lincolnshire Council is supporting development of the Master Plan.

Elsham
The Neighbourhood Area was Designated on 4 August 2014. No recent progress has been made but the Parish Council is considering whether to re-visit the development of a Neighbourhood Plan.

Goxhill
There is interest amongst local residents to prepare a Neighbourhood Plan for the parish which will formally commence when the Council has approved the application for approval of the Designated Area. North Lincolnshire Council has attended meetings with the Parish Council, Goxhill Residents’ Action Group, and the local community to explain the process and what can be achieved with a Neighbourhood Plan, and the Council will continue to work alongside the local community to assist in its development. A Visioning Day consultation event was held in January 2019 to gauge local interest and opinions and to collect evidence. The Neighbourhood Plan Team is now considering all the comments received from the event in order to take the Plan forward.

Kirton in Lindsey
Kirton in Lindsey Neighbourhood Area has now been approved which means that work can formally commence on a Neighbourhood Plan. Initial Steering Group meetings were held in 2018 to consider how a plan could develop and a Chair has been appointed. The Group intends to hold drop-in sessions and undertake a full survey of the views of people in Kirton in Lindsey. The first such event will be held in March when local people will be invited to have their say about how Kirton will develop over the next 20 years.

Saxby All Saints
The Neighbourhood Area was Designated on 10 November 2014. A community meeting was held in November 2017 and, following local discussions, the Parish Council is to hold a Neighbourhood Plan event in 2019 in order to gauge local appetite for taking a Plan forward.

South Ferriby
The Neighbourhood Area was Designated on 4 August 2014. A representative Neighbourhood Plan group met with North Lincolnshire Council in late 2018 to consider how a Plan could be taken forward and it is expected that work will commence on a Plan during 2019.

Winterton
The Neighbourhood Area was Designated on 8 July 2014. The Town Council is currently considering whether to progress a Neighbourhood Plan for the town during 2019.

Worlaby
The Neighbourhood Area was Designated on 4 August 2014. A Questionnaire was distributed around the community in July 2015, a consultation event was held at the Village Hall in November 2016, and a well-attended Visioning Day was held in July 2017. These helped to shape the Vision and Objectives. A Strategic Environmental Assessment Screening Report has been produced which will shape the Plan. The Steering Group is preparing a Pre-Submission Draft Plan and has formulated a Policy Intentions document to guide policies prior to taking the draft Plan out for a six-week consultation. North Lincolnshire Council is actively supporting the Plan’s development.

General
North Lincolnshire Council has attended meetings with a number of other town and parish councils who are also considering whether to start developing a Neighbourhood Plan.
