

Understanding your baby / Sophie Boswell

This book takes you through the entire first year of a baby's life, from parental feelings during pregnancy to a ten-month-old's relationship with other children.

Paperback 80 pages

Understanding your one-year-old / Sarah Gustavus-Jones

From first steps to toilet training, saying hello and sleeping through the night, this book covers everything a parent needs to know, looking especially at the importance of fathers' role and relationship with the child as the baby grows more independent.

Paperback 80 pages

Understanding your two-year-old / Lisa Miller

Lisa Miller guides parents through their two-year-old's development, from how to deal with a 'bossy boots' to understanding the central importance of toys, and the development of language and nonverbal communicative skills.

Paperback 62 pages

Understanding your three-year-old / Louise Emanuel

Louise Emanuel presents practical tips and a great deal of emotional reassurance for new and experienced parents. She offers helpful guidance on topics as diverse as how to ensure everyone in the family gets a good night's sleep, and how to encourage imaginative solitary and social play and conversation.

Paperback 96 pages

Understanding 4-5 year-olds / Lesley Maroni

This title gives an overview of the challenges that children face as they gradually move away from a strong attachment to their families and turn toward the wider world of school and life outside the family.

Paperback 80 pages

Understanding 6-7-year-olds / Corinne Aves

This guide provides information to help parents, educators and carers better relate to children at the age of six to seven. The author offers guidance on encouraging children's development to help them cope with changing expectations of their behaviour. It gives tips for supporting children's understanding of morality.

Paperback 80 pages

Understanding 8-9-year-olds / Biddy Youell

The author looks at ways in which eight and nine year olds experience their world and highlights some of the difficulties that may hinder their emotional, social or educational development.

Paperback 80 pages

Understanding 10-11-year-olds / Rebecca Bergese

The author introduces the broad range of emotional and social challenges that face children as they start to make their transition from childhood into adolescence and are encouraged to take on greater responsibility.

Paperback 76 pages

Understanding 12-14-year-olds / Margot Waddell

This book provides practical and sensitive advice for parents to help them relate to and communicate with their child at a difficult time of transition, while being prepared to question what they thought they already knew about their son or daughter; and about parenting.

Paperback 96 pages

Understanding your young child with special needs / Pamela Bartram

Exploring the developmental impact of disability on normal stages of child development, and the complex natures of the emotional bonds between parents and their children with special needs.

Hardback 80 pages
