

## Food Hygiene Rating Scheme: Consent for early publication of rating

### Notes for businesses

- As the food business operator of the establishment you may request that your new rating is published on [www.food.gov.uk/ratings](http://www.food.gov.uk/ratings) before the period in which you can appeal against the rating has elapsed
- Please use the form below and return it to the Food Safety Team at your local authority – contact details are provided with the written notification of your food hygiene rating or you can [find a food safety team](#) on the FSA website.
- The Food Safety Team will review your request and will usually publish the rating early. If there are any issues or queries, such as the Food Safety needing to confirm your position within the business, they will contact you.
