All Join In
Fun things to do!

Make some musical instruments. Take turns to be the conductor. Conduct the band to play quickly, slowly, loudly, quietly and softly, and then all join in!

Rainbow Bottle Shakers
Put on a colourful musical performance with these rainbow bottle shakers!

Water Xylophone
Find out how to make your own colourful water xylophone.

Rubber Glove Bagpipes
Make your very own musical rubber glove bagpipes.

Use your voice expressively when you join in with the poems, interact and play with your child— to speak, chant, rap, sing – this will encourage your child to be similarly expressive and communicative.

Listen with your child to a variety of sounds, talk about their favourite sounds, songs and music. When out for a walk, listen out for sounds, what can you hear? Here is a listening game for pre-school children. The focus is 'outside sounds'.
