This book is about worms. I can only draw worms. You might think worms are boring, but you'd be wrong. These worms have INCREDIBLE adventures! A hilarious and superbly silly book that will have children in stitches and begging for more.

There's a Worm at the Bottom of My Garden

There's a worm at the bottom of my garden,
And his name is Wiggly Woo.

There's a worm at the bottom of my garden,
And all that he can do,
Is wiggle all day,
And wiggle all night.
The neighbours say,
What a terrible fright!
There's a worm at the bottom of my garden,
And his name is Wiggly Woo!

I Can Only Draw Worms Fun things to do!

- Have fun with your child digging in the garden searching for worms. When you have found them, watch carefully how they move. You could make a simple wormery.

- Look up some interesting facts About worms.

No legs?
No eyes?
No ears?

- Can you draw or paint a worm? What will your worm look like? What will it be doing?

Making ten minutes a day to share books with your child will make a huge difference to their development
