

IMAGINATION LIBRARY

North Lincolnshire is working in partnership with the Dollywood Foundation

Group 3
Children born in 2017

In this brand new lift-the-flap story, it's evening and everyone is going to sleep – children can lift-the-flap on each page to discover which animal is settling down for the night. Who's that hiding on the very last page? Could it be everyone's favourite caterpillar...? A fun, interactive way to learn about different animals and where they settle down to sleep. The perfect bedtime read.

Handling books will develop your child's physical skills, turning the pages, lifting the flaps, pointing to the pictures. You can gently help and show your child how to find the front of the book, the right way up and how to turn the pages.

Fun things to do! Sleep Tight Very Hungry Caterpillar

- Make Very Hungry Caterpillar paper chains, a perfect cutting-and-sticking activity for Very Hungry Caterpillar fans. [Full instructions available.](#)

- Play hide and seek with your child's toys, just like the animals in the book. Where will they be? Up high, underneath, inside, behind? This is a fun way to introduce positional language and a chance to take turns when hiding then seeking.

Little Arabella Miller
Found a furry caterpillar
First it climbed upon her mother
Then upon her baby brother
"Ugh" said Arabella Miller
"Take away that caterpillar!"

- Learn this rhyme together. Use expression and gesture to make it fun!

Making ten minutes a day to share books with your child will make a huge difference to their development
