This is Not a Fairy Tale Fun things to do!

Taking turns when talking about the story just like Dad and Sophie. It's like a game of table tennis— your turn, my turn.

We all know children love fairy tales. See [Booktrust's list of fairy tales](#) with a twist!

Sophie doesn't want a fairy tale about drippy princesses and pompous princes, she wants the princess to do the rescuing, with a ferocious, fighting transformer! Together Sophie and her dad revolutionise story time in this clever, funny and heart-ragingly exciting picture book, sure to inspire and delight every little girl and boy. Storytime will never be the same again.

Children love to role play. Let them choose some of their favourite toys, then make up a story together. Let their imagination run wild.

There was a princess
long ago, long ago, long ago;
There was a princess long ago,
long, long ago.

And she lived in a big high tower,
a big high tower, a big high tower;
And she lived in a big high tower,
long, long ago.

A wicked fairy cast a spell,
cast a spell, cast a spell;
A wicked fairy cast a spell,
long, long ago.
