Welcome from North Lincolnshire to the Imagination Library. This is the first of many books which will be delivered to your home address. Please keep and treasure the books you receive to create your own library. Every book will help as your child grows and develops and starts to talk then read for themselves.

The Tale of Peter Rabbit was first published by Frederick Warne in 1902 and endures as Beatrix Potter’s most popular and well-loved tale. It tells the story of a very mischievous rabbit and the trouble he encounters in Mr McGregor’s vegetable garden!

Making ten minutes a day to share books with your child will make a huge difference to their development

www.northlincs.gov.uk/imaginationlibrary

Babies like looking at their favourite books often. They don’t mind how many times they’ve seen it. Try making time each day to go through your baby’s favourite book together. Doing the same thing at the same time each day builds good habits. You can do this with any book your baby likes.

Good to know
Having a set time for reading will help your baby to recognise a routine, which helps them feel safe and secure.
