It's up to Daddy to give his daughter an extra-special hair style in this story of self-confidence and the love between fathers and daughters. Zuri knows her hair is beautiful, but it has a mind of its own. It kinks, coils, and curls every which way. Mum always does Zuri's hair just the way she likes it—so when Daddy steps in to style it for an extra special occasion, he has a lot to learn. But he LOVES his Zuri, and he'll do anything to make her - and her hair—happy.

Hair Love
Fun things to do!

Hair Celebration.
Tender and empowering, Hair Love is an ode to loving your natural hair. What sort of hair have you got? Is it the same or different from your family and friends? Curly, straight, blonde or ginger? Celebrate by drawing pictures of all the different hair colours and styles your family and friends have. Then share your pictures with them.

Hair styling at home. Have fun taking it in turns to style the families hair. Collect empty shampoo and conditioner bottles; combs and brushes, spray bottles, towels, hair slides, hairbands and assorted hair accessories. Show your child how to plait, make pony tails and top knots etc., so they can have a go too. Take photos of the result and share with your family and friends.

Making ten minutes a day to share books with your child will make a huge difference to their development
