When I Grow Up: Firefighter gives all the essential facts about firefighting. It shows what daily life is like for firefighters and what they do in an emergency. It answers questions from aspiring firemen and firewomen such as: 'What do firefighters wear?' and 'What special tools do firefighters need to help them at work?' This beautifully illustrated book brings the firefighter’s everyday job to life with fun realism.

Do You Know? How do Firefighters put out fires? Watch this clip from Cbeebies to find out
www.youtube.com/watch?v=syWonYeJ0QU

Emergency!! Fire! Accident! Take it in turns to take an emergency call. You could make a cup phone! Have paper and pencil ready to write down the details. Use some of the new words in the book to describe the emergency. This will help your child build their vocabulary and listening skills in a fun way.

Water Fun. Spraying and squirting water with recycled spray bottles and washing up liquid containers is fun and helps strengthen the muscles that are in your child’s hands. Have some targets to aim the water at outdoors. Join in. Who can stand the furthest away and still hit the target?

Making ten minutes a day to share books with your child will make a huge difference to their development

Silly Squad has launched
Take part in this year’s Summer Reading Challenge with the Silly Squad. Children can join today and take part even though libraries are closed, and keep track of their books, reviews and rewards online.
