# Where's Spot?

Eric Hill The original lift-the-flap book

Spot's mum searches everywhere for little Spot in Eric Hill's first ever lift-the-flap tale. This year Spot is celebrating his 40th Birthday. Happy Birthday Spot!

### Spot Song

Spot, Spot, lovable Spot  
He's soft and cuddly and he smiles a lot  
If there ever was a pup to cheer you up  
It's Spot, Spot, Spot

### Enjoy Books Anywhere at Anytime

Carry a book with you wherever you go – books are great for sharing when out and about, whether waiting for appointments, on the bus, or at grandparents.

Make it a really special time with you by switching off the television and radio and ignoring the mobile.

## Where's Spot? Fun things to do!

### Play the story

Play Where's Spot? or Where's Teddy? Hide a cuddly toy for your child to find. You could try to hide the toy *under*, *inside*, *behind* something to use some of the words from the story. Babies who are crawling will enjoy this game but will need to see you hide the toy if they are going to be able to find it!

Or download these cute make-your-own characters to hide and then see how many you can find with your little one [www.penguin.co.uk/articles/children/2017/create-your-very-own-outdoors-trail-to-find-spot/](http://www.penguin.co.uk/articles/children/2017/create-your-very-own-outdoors-trail-to-find-spot/)

### Make a lift the flap book that your baby can look at with you.

Use photos of some familiar faces and talk to them about their family. This will help your baby to learn people's names and they will love hearing your voice and seeing the pictures. You could use pictures of your pets too.

**Making ten minutes a day to share books with your child will make a huge difference to their development**
