## Mabel and the Mountain Fun things to do!

Make **Big Plans** just like Mabel. What will you do? You could try some new activities together—roll down a hill, stay up and see the stars, splash in some puddles, learn to ride a bike, visit the museum...

**Growth Mindsets:** help your child try new things. Practising growth mindset theory with your child is a great way to get them engaged with activities that they try to avoid through fear of getting things wrong or "not being good enough"
