This read-aloud, interactive picture book treat invites children to make magic happen page by page, tilting, spinning and shaking the book, and then seeing the funny results when each page is turned. A fantastic celebration of all the fun that can be had with a book, with a wonderful wind-down bedtime ending!

## There's a Monster in Your Book Fun things to do!

### Copying Each Other

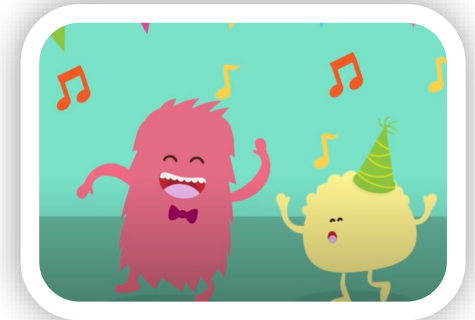

Try playing a copying game together. You could try asking your child to copy you clapping, dancing, making animal noises - get inventive!

Practicing taking turns when copying helps your child to learn the back and forth rhythm of conversations.
