	Locations 81 - 120 are Speed Management Strategy locations which also receive a 3 month period with a 'Flashing' vehicle activated Speed Sign, although there will be no enforcement carried out at these locations. Again, some of these locations, for whatever reason, may not be suitable for a Speed Sign.							
	Suitable locations from 121 can hire one of the 'Flashing' vehicle activated Speed Signs through their Town or Parish Council.
