1. For Starters

Every Adoption Team has to write a Statement of Purpose. This is so that everyone knows what the Adoption Team does and the rules that it has to follow.

Some of the rules that we have to follow are in these important papers;

- **National Minimum Standards for Adoption 2014**
- **Statutory Guidance on Adoption 2013**

You should have a chance to see this Statement of Purpose. We make sure it is on the Council's webpages www.northlincs.gov.uk and we also give it to every adopted young person that we are working with.

Every year we update this so that you can see what we will be doing and what we want to achieve.

The people who check we are doing what we need to do are from **Ofsted** and their details are;

OFSTED

Piccadilly Street

Store Street

Manchester

M1 2WD

Telephone 0300 123 1231

Email; enquiries@ofsted.gov.uk

In June 2017 the Adoption Services that we provide were inspected by Ofsted. Some of our adopted young people met with the Ofsted Inspector. The Ofsted Inspector listened to the feedback that they gave about the Adoption Service.

In September 2017 the Ofsted Report was published and North Lincolnshire's Adoption Services were judged as **'Outstanding'**. The young people and adopters who met with the Inspector had this to say about our adoption service;

'You can always speak to someone who will listen and help you'.

We want the Adoption Team to continue to be outstanding and to do this we will make sure that we listen to your suggestions. We want you to tell us what is working well and if you think there is something we can be doing better. The different ways you can contact us are included in this Statement of Purpose.

2. What Adopted Young People say we should do

Every month we run an adopted young person's group for young people aged nearly 7 years old and all the way up to 18 years old. The young people who come to this group have called the group '**Superkidz's**'.

Here are some of the things that they said the Adoption Team should do;

- Help with any troubles
- Give information
- Give support
- Help answer questions about birth families
- Be friendly
- Listen to young people
- Be nice to people
- Treat people fairly
- Help children find a family
- To keep arranging for adopted young people to meet

3. What the Adoption Team will do

We will do all of the above and...

- You are all different and have your own opinions so we will listen to you in how best to support you and your family.
- We will ask you what you think about the Adoption Team. This helps us find out the best way we can help.
- We will ask you for any ideas about things we can do.
- What you say is always important to us.
- We will be respectful
- We will find out about everyone's needs and make sure all are treated fairly and with respect.
- We will be available to help with troubles.
- We will give information about the support and services we provide. We will make sure that we do this by talking and also by writing things down.
- We will try and answer all your questions. Sometimes the answer may be difficult to hear and we will always be around to support you and to help you work it out.
- It's important that you are safe and that you are given every chance to succeed and this means having a goal for your future. We will do whatever we can to help with this.

Examples of Services we will provide for you;

- We can give you a Children's Guide to Adoption.
- We can give you a guide to Adoption Support Services in North Lincolnshire.
- We also have an After 18 guide to Adoption.
- We can help with collecting memories and in collecting information for your life story book.
- We can try and help sort out things to do with contact.
- Sometimes you may need to talk to someone else, like a therapist. This can be the case when things feel very complicated and space and time is needed to work some things out. A therapist can sometimes help to do this. Or, it could be that an Adoption Social worker is the best person to help you do this. Either way, we will help you find someone you can talk to on a one to one.
- We will make sure you have the dates for the monthly group.
- We can arrange different training, for example, we can help schools understand a little more about what it is like to be adopted. Or, you might want to learn about something in particular and if you let us know then we might be able to arrange it.
- Every year we will also invite you to any events that we host.

4. Important News

The Government is always looking at different ways we can work to make sure that we are providing the very best services for you. One of the things that they have asked is that Local Authority Adoption Agencies, like ours, join with other Local Authority Adoption Agencies to form a Regional Adoption Agency. This means that we will become 'bigger' and we can share the different things we do.

* A Local Authority is the people responsible for the area you live in, usually the 'county' you are in. For us, this is North Lincolnshire.

From October 2020, we became part of a Regional Adoption Agency which is called Family Adoption Links. The other adoption agencies that are in our Regional Adoption Agency are Lincolnshire and Rutland, Leicestershire, Leicester City and Northamptonshire.

This map shows the region that Family Adoption Links is in;

As part of the Regional Adoption Agency we also have a logo which looks like this;

We will keep you updated and let you know all the things you need to know about this as they happen. We will also make sure that we keep your Statement of Purpose, updated with news around this. The important thing you need to know for now is that you can continue to contact us in the same way, using the same number and that our team address will remain the same.
