This order is made by North Lincolnshire Council under section 53(2)(b) of the Wildlife and Countryside Act 1981 ('the Act') because it appears to that authority that the County of Lincoln, Parts of Lindsey (Glanford Brigg) definitive map and statement require modification in consequence of the occurrence of an event specified in section 53(3)(c)(i), namely, the discovery by the authority of evidence which (when considered with all other relevant evidence available to them) shows that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public path, a restricted byway or, subject to section 54A, a byway open to all traffic, of the Act.

The authority have consulted with every local authority whose area includes the land to which the order relates. North Lincolnshire Council hereby order that:

1. For the purposes of this order the relevant date is 16 November 2021.
