

Barnetby & the Viking Way Memorial Walk

Start: Just South of Barnetby Railway Bridge – roadside parking in Victoria Road. From the M180 Junction 5 take the A18 turning right towards Brigg and almost immediately left to Barnetby. Take the main 'Kings Road' downhill and park beyond the bridge in Victoria Road.

The Walk:

1. Take the lane which appears to be for a small business and at the end enter a narrow waymarked path alongside the railway.
2. Go up a short slope 'Knab Hill' over a stile and turn right at the path junction and take the path crossing the horse paddock, the path leading into a lane.
3. The lane meets the road at right angled bend – go straight on along St. Barnabas Road. At the corner of St Barnabas Street and Victoria Road is St Barnabas Church and the WW1 & WW2 memorial cross is located in the south east corner of the grounds.
4. Where the road forks bear left.
5. At the next form bear right into Queens Road, this road bends left rising slightly.
6. Turn right into South Street, this soon bends to the right.
7. At the road junction turn left into Marsh Lane.
8. Turn right onto the Viking Way – a good wide track.
9. As the track enters a small housing estate bear left onto the road.
10. Turn left into Victoria Road passing a fish and chip shop with an unusual name "A Salt and Battery" – if you can and go back to the start.

Terrain: From Point 1 to 2 the path can be muddy when wet, there is short hill near Point 2. Between Points 2 and 3 the path leads diagonally downhill initially over grass paddock then into lane. From Point 3 to 8 the surface is road and pavement. From Point 4 to 6 the road is rising steadily. From Point 6 to 8 you are descending slightly. From Point 8 to 9 is a good wide track. From Point 9 on you are on pavements.

Time: Between 1 hours and 1½ hours at a leisurely pace.
