## Admission Arrangements for The St Lawrence Academy 2025 - 2026

The academy commits itself to creating an environment for everyone that is characterised by our core values of Truth, Justice, Forgiveness, Generosity and Respect. These values have been used to determine this policy.

1. This document sets out the admission arrangements for The St Lawrence Academy in accordance with Annex 2 to the Funding Agreement between The St Lawrence Academy and the Secretary of State. Any changes to the arrangements set out in this document must be approved in advance by the Secretary of State. Obligations in this document are to be treated as if imposed by the Funding Agreement.
2. Notwithstanding these arrangements, the Secretary of State may direct The St Lawrence Academy to admit a named student to The St Lawrence Academy on application from a LA. Before doing so the Secretary of State will consult the Academy.

Details of how and when to apply, and how places will be offered, are in the “Determined Co-ordinated Admissions Scheme for Secondary Schools in the area of North Lincolnshire Council for the academic year 2025/26”. When they are published they will be available on the North Lincolnshire Council website [www.northlincs.gov.uk](http://www.northlincs.gov.uk)

Parents may seek a place for their child outside of the normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

When requesting admission outside the normal age group, the parents should firstly complete the standard application for the normal age group. In addition, they should contact the council’s Admissions Team to ask for an “admission outside the normal age group” form to be sent to them. That form should also be completed and submitted. On the “admission outside the normal age group” form they should list the schools they wish to consider their request, give information about why they are making the request and submit any relevant evidence they may have (for example, if their child is receiving support from a speech and language therapist).

The council will consider their request on the circumstances of each case and in the best interest of the child concerned. This will include taking account of the parent’s views; information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely; and the views of the head teacher of the school concerned. After consideration, the council will make a recommendation to the school on the request but it will be for the school to make the final decision on whether the request will be agreed.

'The school was founded to provide education for the children of North Scunthorpe. It is a school for the whole community whilst it seeks to offer a Christian based education to all children; grounded in the Diocesan vision of "excellence, exploration and encouragement within the love of God". The school values the involvement of all parents in supporting the school's Christian ethos. As a Church of England school, we hold regular Christian collective worship and festivals, both in school and in Church.'

## **I: ADMISSION ARRANGEMENTS APPROVED BY SECRETARY OF STATE**

### **Arrangements for admission to 11-16 Provision**

- a) For each new Year 7 cohort, the admission number is 165.

### **Process of application**

4. Applications for places at the Academy will be made in accordance with LA's co-ordinated admission arrangements and will be made on the Common Application Form provided and administered by the North Lincolnshire LA. The St Lawrence Academy will use the following timetable for applications each year (exact dates within the months may vary from year to year) which, whenever possible, will fit in with the common timetable agreed by the LA.
- a) By September - The St Lawrence Academy will publish on its website information about the arrangements for admission, including oversubscription criteria, for the following September (e.g. in September 2024 for admission in September 2025). This will include details of open evenings and other opportunities for prospective students and their parents to visit the academy. The St Lawrence Academy will also provide information to the LA for inclusion in the composite prospectus, as required.
- b) September - The St Lawrence Academy will provide opportunities for families to visit the Academy.
- c) October - CAF to be completed and returned to North Lincolnshire LA to administer.
- d) North Lincolnshire LA will assess the applications according to the published admissions criteria.
- e) February – North Lincolnshire LA applies agreed admission policies for its' own schools and the academy, informing other LA's of offers to be made to their residents.
- f) 1<sup>st</sup> March (or nearest working day following) offers made to parents.

### **Consideration of applications**

5. The St Lawrence Academy will consider all applications for places. Where fewer than the published admission number for any relevant age group are received, The St Lawrence Academy will offer places to all those who have applied.

## Procedures where the St Lawrence Academy is oversubscribed

6. Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below. After the admission of students with an Education Health Care Plan where The St Lawrence Academy is named on the plan, the criteria will be applied in the order in which they are set out below:

a) Looked After Children and previously Looked After Children.

A “looked after child” is a child who is:

- a) in the care of the local authority, or
- b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989) at the time of making an application to a school.

A “previously looked after child” is a child who:

- a) ceased to be looked after because they were adopted, or
- b) became subject to a child arrangements order, or
- c) became subject to a special guardianship order immediately after being looked after, including those who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

b) Admission of students whose siblings currently attend the Academy, and who will continue to do so on the date of admission. Sibling means a child living as part of the same family unit at the same address. This includes natural siblings, adopted siblings, step siblings, foster siblings, and the child of a parent’s partner. In the event of two applications for one vacancy using the above criteria, the academy will apply a tie breaker decision based on geographical distance.

c) Students who live in the catchment area of the Academy

Parents can see which catchment areas cover their address by following the link from the “Apply for a school place” page at [www.northlincs.gov.uk](http://www.northlincs.gov.uk).

A map of the catchment area for The St Lawrence Academy is included in this document.

The address taken under this factor will be that on Thursday 12 December 2024.

Parents who move after submitting their preference **must** inform the council’s Admissions Team of any change of address.

d) Students who live closest to the Academy.

The distance will be determined by measuring the shortest available route using the public road and path network from the student’s home to the main academy gate, as determined by the academy. The distance will be measured by using a computerised geographical information system (GIS). Priority will be given to those living nearest to the academy using this system. Students living in flats where the distance measures the same, priority will be given in ascending order of flat number/letter/floor.

For admission purposes, the home address is where a child usually lives with their parent or carer. You must not give the address of a childminder or relative. Where a child lives with parents with shared responsibility, each for part of the week, the Admissions Officer will apply the address of the parent who claims the child's benefit as the student's address for determining this criterion. If neither parent claims child benefit other documentary evidence (e.g. medical card) may be required. If it is found that you have given a false address your child may lose their school place.

For families of service personnel with a confirmed posting, or crown servants returning from overseas, whose application is accompanied by an official letter declaring a relocation date the home address will be either the address at which the child will live, or the unit or quartering address if the parent requests this. Parents will need to provide evidence of the intended address.

Where the offer of a place would lead to oversubscription under any of the above factors places will be allocated by reference to subsequent factors in order. In exceptional circumstances, where it has not been possible to decide between applications, because they have the same distance measurements, the place will be allocated by drawing lots independently verified.

### **Operation of waiting lists**

7. Subject to any provisions regarding waiting lists in the North Lincolnshire LA's co-ordinated admission scheme, the LA will operate a waiting list.
  - i) If the academy is over-subscribed a waiting list will be established.
  - ii) Students will automatically be put on the waiting list where they have not been made an offer of a place and where the academy is a higher preference than the school or academy at which an offer has been made
  - iii) Students will not automatically be placed on the waiting list if the academy is ranked lower than the school or academy where they have been offered a place.
  - iv) As further applications are submitted each added child will require the list to be ranked again in line with the published criteria.
  - v) The council will coordinate the waiting list for the academy.
  - vi) As soon as places become available they will be filled from the waiting list.
  - vii) If a parent is on a waiting list it will not affect the parent's right of appeal against an unsuccessful application.
  - viii) Looked after children, previously looked after children, and those allocated a place at a school in accordance with the Fair Access Protocol will take precedence over those on the waiting list.

**Arrangements for admitting students to other year groups, including to replace any students who have left The St Lawrence Academy**

8. Subject to any provisions in the North Lincolnshire's co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child after they have been notified by the LA. If more applications are received than there are places available, the oversubscription criteria in paragraph 6a – d shall apply. Parents whose application is turned down are entitled to appeal.
9. The St Lawrence Academy will participate in North Lincolnshire LA's In Year Fair Access Protocol.

**II: ANNUAL PROCEDURES FOR DETERMINING ADMISSION ARRANGEMENTS**  
**Consultation**

10. The St Lawrence Academy will consult, only when necessary due to proposed changes, for a minimum period of 6 weeks between 1 October and 31 January in the determination year.

This is also specified in the new Code which states that "where admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities **must** consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period. "

It should be noted that an increase to PAN, or a change to the admission arrangements to comply with the mandatory provisions of the Code or the School Admissions Regulations 2012, is not a change requiring consultation.

- a) North Lincolnshire LA.
- b) The Admissions Working Group North Lincolnshire LA.

  - b) A summary of the admissions policy, including oversubscription criteria.
  - c) A statement of any religious affiliation.
  - d) Numbers of places and applications for those places in the previous year; and
  - e) Arrangements for hearing appeals.

### **Arrangements for appeals panels**

13. Parents will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with the admission decision of The St Lawrence Academy. The Appeal will be independent of the Academy. The arrangements for the Appeals will be in line with the School Admission Appeals Code published by the Department for Education (DfE) as it applies to Academies. The determination of the appeal panel will be made in accordance with the School Admission Appeals Code and is binding on all parties. The Academy will prepare guidance for parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries parents may have about the process.

### **Review**

In order to ensure that it reflects current best practice, this policy will be reviewed every year.

## Admission Of Students To The St Lawrence Academy

1. The Academy will act in accordance with, and will ensure that the Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the statutory codes of practice (the School Admissions Code and the School Admission Appeals Code of Practice) as they apply at any given time to maintained schools / academies and with the law on admissions as it applies to maintained schools / academies. Reference in the codes to admission authorities shall be deemed to be references to the governing body of the Academy. These representations must be made to the School's Adjudicator by 15 May in the determination year. The Secretary of State will consider the representation and in so doing will consult The St Lawrence Academy. Where he judges it appropriate, the Secretary of State may direct The St Lawrence Academy to amend its admission arrangements.

Where such a request is made, but agreement cannot be reached locally, they may ask the Secretary of State to direct The St Lawrence Academy to increase its proposed Published Admissions Number. 10. Once the admission arrangements have been determined for a particular year and published, The St Lawrence Academy will propose changes only if there is a major change of circumstances. In such cases, The St Lawrence Academy must notify those consulted under paragraph 4 above of the proposed variation and must then apply to the Secretary of State setting out:
  - a) the proposed changes.
  - b) reasons for wishing to make such changes.
  - c) any comments or objections from those entitled to object.

### **Need to secure Secretary of State's approval for changes to admission arrangements**

11. The Secretary of State will consider applications from The St Lawrence Academy to change its admission arrangements only when The St Lawrence Academy has notified and consulted on the proposed changes as outlined at 4 above.
12. Where The St Lawrence Academy has consulted on proposed changes The St Lawrence Academy must secure the agreement of the Secretary of State before any such changes can be implemented. The St Lawrence Academy must seek the Secretary of State's approval in writing, setting out the reasons for the proposed changes and passing to him any comments or objections from other admission authorities/other persons.
