

LADYBIRD FIRST FAVOURITE NURSERY RHYMES

This book contains classic nursery rhymes perfect for singing at all times of the day.

Can your child pick their favourite one?

Be a little helper.

Little ones can help with lots of jobs around the house. You can get them involved in simple tasks such as washing up, matching socks and using a dustpan and brush. It's a great time to chat and interact with your child.

Time for talking!

As toddlers are saying more words and putting words together to make short sentences, listen to them and help them to expand on what they talk about. If they say a word, add to it and turn it into a short sentence.

You can also ask simple **'what, where and why'** questions too.

Five Little Speckled Frogs

*Five little speckled frogs,
sat on a speckled log,
eating the most delicious bugs.
Yum yum!
One jumped into the pool,
where it was nice and cool.
Then there were four green speckled frogs.
Glub glub!*

Continue with the rhyme with one less frog each time.
