

WE'RE GOING TO FIND THE MONSTER!

by Malorie Blackman and Dapo Adeola

Join two adventurers as their imaginations transform their house into a wild wonderland as they search for the mighty monster.

Can your little one make the noises of all the animals they meet in the story?

Go on a monster hunt.

Go on a monster hunt, either indoors or outdoors, and pretend to visit some of the places they explore in the book.

This is great for imaginative play. You and your child could grab some hats, a spoon and a teddy, just like the characters in the story. Then you can set off, to sail the shimmering ocean, climb the huge high mountain, and creep through the deep dark jungle. Don't forget to keep shouting **"Look out!"** and **"We're going to find the monster!"**

Make a Food Monster!

Can you and your child make a monster out of food? You could use a variety of fruits and vegetables and get creative! Cooking together is a great way to introduce more adventurous eating, but it is also a fun language learning opportunity.

You can use lots of different describing words.

Encourage your child to make choices by asking things like, **"Do you want the green pepper or the red pepper?"**

Five Little Monsters

*Five little monsters jumping on the bed.
One fell off and bumped her head.
Mummy called the doctor and the doctor said,
"No more monsters jumping on the bed!"*

Continue the song with one less each time: Four little monsters...
Do the actions as you sing and count down the monsters using your fingers.
