

THE THREE WISHES

by Anthony Browne

Lambert, Hilda and Ros are bored on the sofa, watching TV and a little bit grumbly when suddenly out of the TV comes a mysterious blue fairy and offers them three wishes.... not all goes to plan!

The Three Wishes is a hilarious twist on a tale that focuses on the importance of being content and present in the moment.

Anthony Browne has published 50 books.

Perhaps you could find some others he has written at your local library? Did you know that Anthony Browne was once bitten by a gorilla when filming for television whilst at a local zoo?

What makes you happy?

Talk to your child about things that make them feel happy. Perhaps you don't need wishes to make you happy and you have lots of things in your life that already make you happy.

Star Light, Star Bright

*Star light, star bright,
first star I see tonight.
I wish I may, I wish I might,
have this wish I wish tonight.*
